## FEATURED MEDITERRANEAN SAILINGS

From the Uffizi Gallery and Cinque Terre to the Prunelli Gorges in Corsica and the lavender fields of Provence, Mediterranean Impressions is a study in art, architecture, and nature highlighted with overnight stays in iconic cities by the sea. Featured ports include:

### Rome

The journey begins with a venture through Civitavecchia, noted for its fine seafood and beautiful monuments. It then moves to the Eternal City of Rome, with more than 2,500 years of history and ancient landmarks that will leave you with memories for a lifetime.

### Florence/Pisa (Livorno)

Giotto, Brunelleschi, Botticelli, and Michelangelo made their marks of genius here. This cradle of the Renaissance owes its UNESCO status to the overwhelming influence the city and its museums, churches, architecture, and artworks have had on Europe and, ultimately, the world. Vestiges of this enlightened period are everywhere today— at the Uffizi Gallery, the Palazzos Pitti and Vecchio, and throughout the city streets.

### Cannes

One of nature’s miracles, the Côte d’Azur is blessed with superb natural beauty. This sun-drenched slope stretches some 60 miles westward from the border of the fairy-tale Kingdom of Monaco. And here in glamorous Cannes, where yachts dot the harbor and chic striped sun-loungers line the beach, be sure to take some time to explore the designer bars and couture shops of La Croisette.

### Valencia

Sunbathe in one of Spain’s most exhilarating cities. Valencia is a vibrant town with dynamic nightlife, outdoor activities, and sports, and its *mezcla* of architectural wonders. In Old Town, see everything from 15th-century palaces to recent wonders of modern art.

### Barcelona

Barcelona’s seaside beauty, sprawling beaches, eclectic architecture, world-class tapas, and Tempranillo are all reasons to fall in love with the city of Gaudí. In fact, nine important sites in the city, seven designed by the famed architect himself, have earned the acclaim of UNESCO.

### Monte Carlo

An ancient principality steeped in rich and colorful history, Monaco was bought from the Genoese in 1309 by the Grimaldis, who still rule as the world’s oldest monarchy—presided over today by Prince Albert.
